## **PAYING YOUR WAY**

No need to bring cash, we've gone card-only. Visa, Mastercard, Amex, Diners, Eurocard, they are all welcome here.

## **A LITTLE THANK YOU**

We've added a 12.5% discretionary service charge to your bill, just a quiet way of saying thank you to the team who poured your wine, seared your hake, and remembered you like your negroni on the bitter side. Every penny goes to them, front and back of house. Don't want it added? Just let us know.
